## PROFESSIONAL SUMMARY

Java Full Stack Developer (Fresher) with hands-on experience in developing scalable web applications using Java, Core Java, Java 8, Spring Boot, Spring MVC, REST APIs, React.js, HTML5, CSS3, JavaScript, and MySQL. Strong knowledge of OOP, CRUD operations, API integration, MVC architecture and database management. Passionate about writing clean, maintainable code and delivering user-friendly applications.

## TECHNICAL SKILLS

- **Programming Languages:** Core Java, Java 8
- **Frameworks:** Spring Boot, Spring MVC, Hibernate
- **Frontend Technologies:** HTML5, CSS3, JavaScript, React.js
- **Database:** MySQL
- **Tools & IDEs:** Git, GitHub, VS Code, Eclipse, Postman

## TECHNICAL PROJECTS

### 1. Personal Portfolio Website

**Technologies:** HTML, CSS, JavaScript

**GitHub:** <https://github.com/PratikshaRBhise/My-Portfolio>

- Implemented interactive UI elements using JavaScript
- Integrated contact section to improve professional visibility

### 2. Weather Application

**Technologies:** React.js

**GitHub:** <https://github.com/PratikshaRBhise/WeatherApp>

- Built a responsive weather app using React.js to display weather data.
- Designed a clean, responsive UI for seamless experience across devices.

### 3. Menu-Driven Java Mini Project

**Technologies:** Core Java, MySQL

**GitHub:** <https://github.com/PratikshaRBhise/Menu-Driven>

- Developed a menu-driven console-based application using Core Java.
- Implemented features such as Add, Update, & Delete data using switch-case.

### 4. Job Portal System

**Technologies:** React.js, Java, Spring Boot, REST API, MySQL

**GitHub:** <https://github.com/PratikshaRBhise/Job Portal System>

- Developed a Job Portal web application using Spring Boot and MySQL
- Implemented RESTful APIs for job posting, user registration, and authentication

## EDUCATION

- |   |                       |
|---|-----------------------|
| ■ Bachelor of Engineering(ENTC)-SPPU,Pune | April 2025   Grade: A |
| ■ Diploma in Medical Electronics-MSBTE    | June 2022   Grade: A+ |
| ■ SSC (10th) - MABSHSE                    | March 2019  Grade: A+ |

## CERTIFICATIONS

- **Java Full Stack Development** - I.T.Vedant (2026)

## ADDITIONAL SKILLS

- **Languages:** Hindi, Marathi, English
- **Strengths:** Problem Solving, Teamwork, Strong understanding of oop concepts
